

### Company Introduction

Asian Electronics 1988 Ltd. Manufacturer a wide range of mechanical parts to all major industries across the globe. Least to say that our company has gained an affirmative presence in the market and sustained it for more than 15 years.

Located at Shenzhen, China (one of the most important port and mechanical parts base in the country) the company was established in 2003. At present, we occupy 13000 m<sup>2</sup> and have about 200 skilled employees working at our base to make dreams possible for our clients.

We provide one-stop OEM services, tooling design, stamping machines, laser machines, CNC machines, surface treatment, packing for shipment, other related products and services in accordance with the customers requirements.

Here is how Quality is Supported at Asian Electronics 1988 Ltd. –

Our team of engineers inspect and examine the parts at all stages of production with emphasis on meeting the drawing dimensions and general appearance of the parts.

Each batch of production is carefully inspected, after which an audit report is sent to the customer prior to shipment we make the best effort to reach customers target prices without compromising on quality.

## Stamping

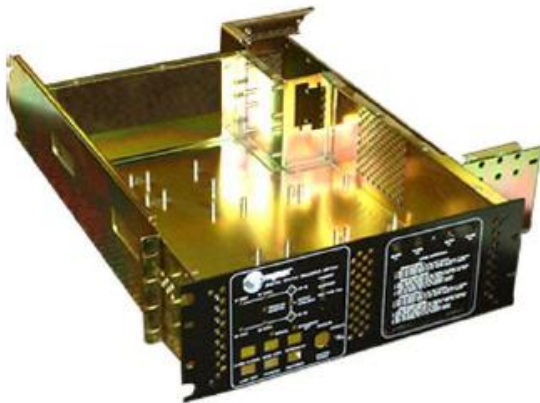

## Stamping

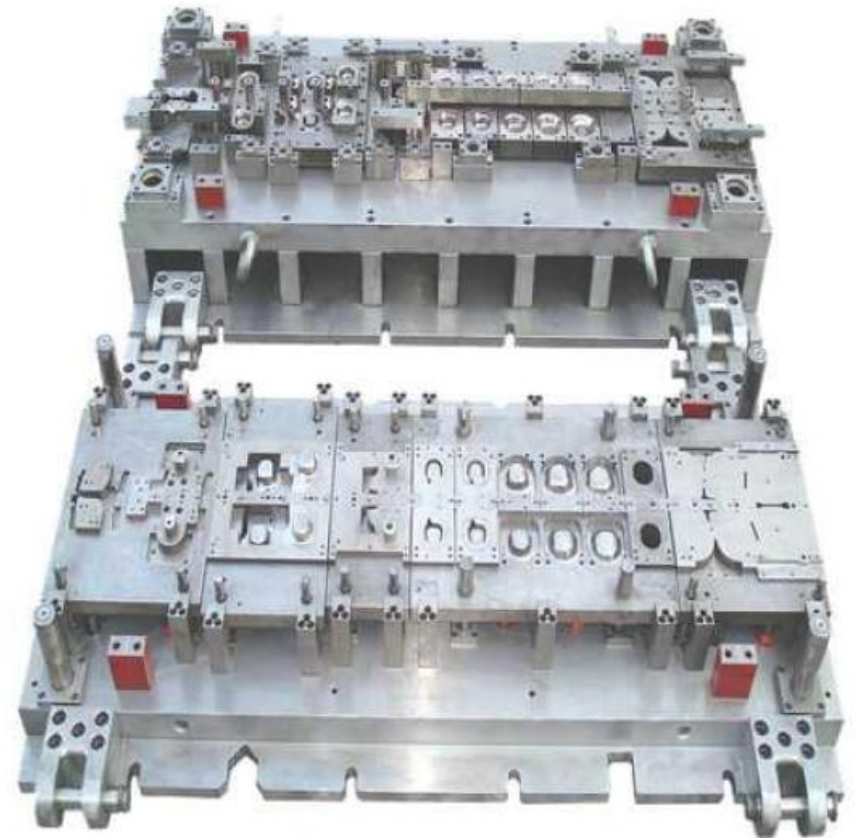

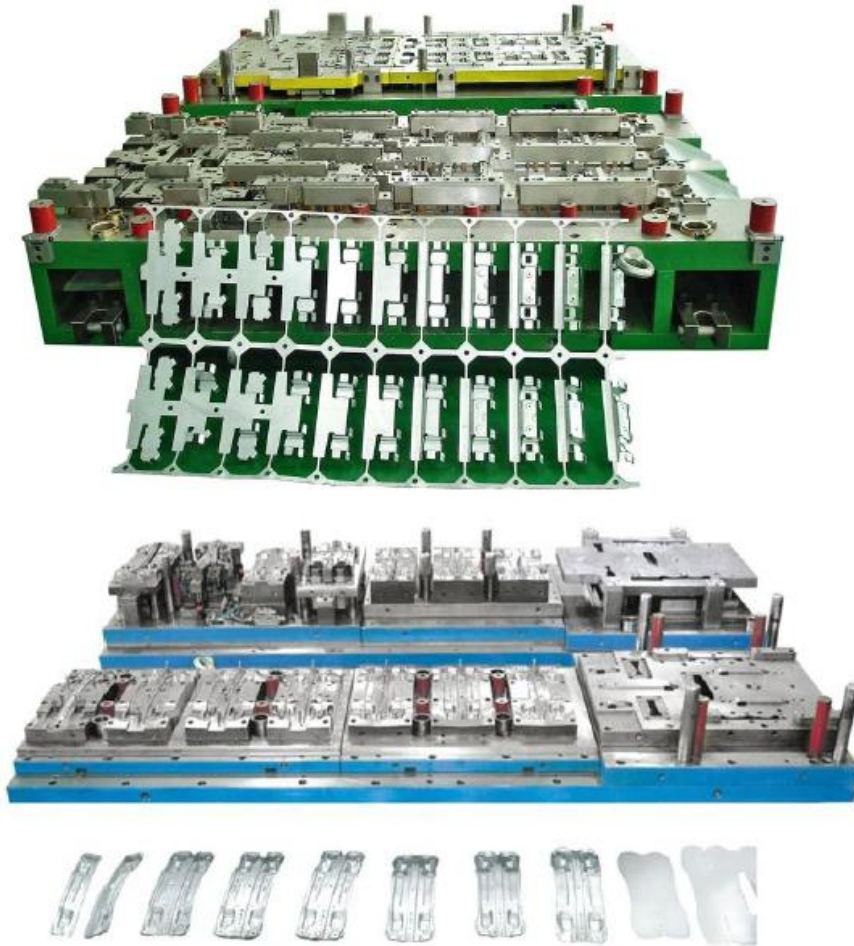

## Sheet Metal

## Machining

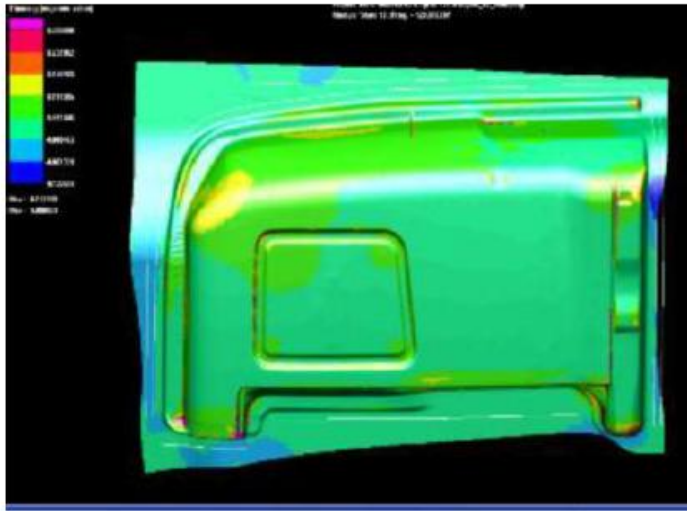

## Tooling

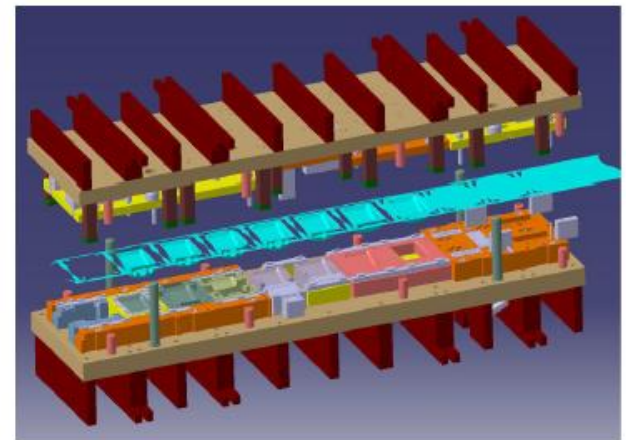

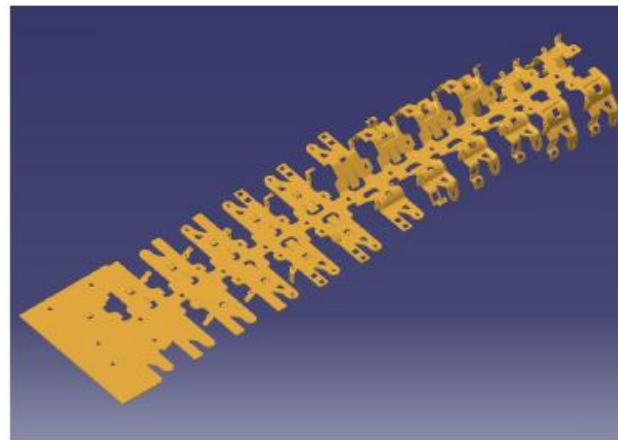

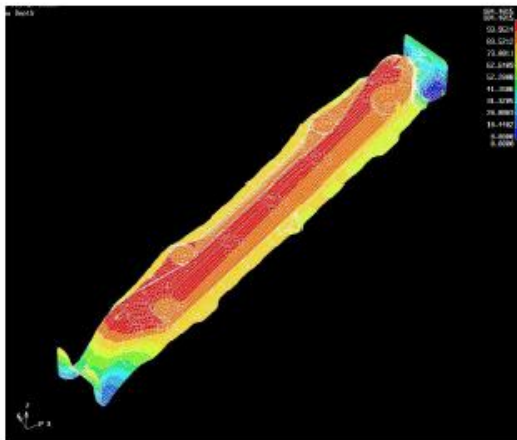

## Design

- ✓ Software : Catia, UG, ProE, AutoCad
- ✓ Simulation: Dynaform.
- ✓ Strip Layout & Tool Structure: 2D & 3D
- ✓ Technical Dept.: 30 designers

## Equipment List

STAMPING FACILITIES	PLACE OF ORIGIN	QTY
CHIN FONG:60T	Tai Wan	16
CHIN FONG:80T	Tai Wan	20
CHIN FONG:110T	Tai Wan	16
CHIN FONG:160T	Tai Wan	10
CHIN FONG Double-shaft:200T	Tai Wan	2
CHIN FONG Double-shaft:250T	Tai Wan	2
TAIYI TAPPING MACHINE	Tai Wan	10
TAIYI WELDING MACHINE	Tai Wan	4
SHEET METAL FACILITIES	PLACE OF ORIGIN	QTY
CNC TURRER PUNCHING/NCT	Japan/AMADA	2
LASER CUTTING MACHINE	Japan/MITSUBISHI	2
BENDING/FORMING MACHINE	Japan/AMADA	7
RIVETING MACHINE	China	4
WELDING MACHINE	Tai Wan	6
TOOLING FACILITIES	PLACE OF ORIGIN	QTY
Wire-Cutting Machine(Slow)	Japan/SODICK	2
Wire-Cutting Machine(Quick)	Tai Wan	10
CNC Machining	Japan	6
CNC Lathe	Japan	2
CNC Miller	Japan	6
EDM	Japan	2
Grinding Machine	Japan	10

QUALITY CONTROL	PLACE OF ORIGIN	QTY
Computer Measuring Machine	Sweden	1
Projector	Japan	1
Salt Spray Test Machine	Japan	1
Coating Measurement Meter	Japan	1
Chrome Meter	Sweden	1
Sound Level Tester	Japan	1
Torque Tester	Japan	2
Lightbox	Sweden	1
Universal Bevel Protractors	Japan	4
R Gauge	Japan	4
Venier Caliper	Japan	4
Thread Gauge	Japan	4
Height Measuring Machine	Japan	4
Pull/Push Force Tester	Japan	4
Thermometer	Japan	2
Rockwell Hardness Tester	Japan	2
Rohs Tester	Sweden	1
Micrometer	Japan	1
Dial Caliper	Japan	10
Dial Indicator	Japan	4
